Dear members,

As promised, here is the second of our new series of monthly newsletters. Hope our first one was satisfactory.

The main news this month is concerning club affiliations. We will be approaching all of the folk clubs in Victoria eventually to ask them to affiliate with the F.S.D.S.V. This will not cost the clubs anything. What it means virtually, is that when you become a member of the F.S.D.S.V. you are automatically a member of all affiliated folk clubs. The affiliated clubs will receive cash from the F.S.D.S.V. at a rate of 20¢ for each member. To date THE THREE DRUNKEN MAIDENS and TANKARD FOLK plus BUTLER'S have agreed to affiliate.

Membership concessions operate between functions and clubs organized by the F.S.D.S.V., Monaro Folk Music Society, and the Q.F.F. and F.F.S.A. to members travelling to these areas. Just flash your membership card and away you go.

Another reminder not to forget to support our monthly dances. The first Sunday of every month at the Carlton Community Centre from 2.30 p.m. - 6.30 p.m. Music supplied by "THE BARDS".

Regards, RICHARD L. LEITCH  
(for the committee)

BITS 'N PIECES

It has been brought to our attention that the Bendigo Folk Club will close on Saturday, July 31st. Apparently there will be a Ceilidh type function on that night and all are welcome.

THE SOCCER MATCH

Last Sunday (July 11) was played yet another of a long line of soccer matches at that well known oval just opposite Fairlea Prison.

The teams to play were the well known Irish, verses the little known Rest of the World. They all lined up full of high spirits (and other kinds), with a little denco-rub for the knees and other places, to do battle for king and country... (oops!) Anyway, they were there to play soccer, and get a little fresh air. A group of mostly partisan spectators and a few dogs sat on the sidelines and watched... and a great deal of laughter was had by all, so to speak.

The Rest of The World, captained by that daring, dashing Mel "Twinkletoes" Robertson, managed to score a fair deal of the play, and did in the end turn up eventual winners. But the Irish were by no means disgraced. Tony "Stir 'em up" Lavin did an able job in spurring the Irish lads on to better things. After one clash between the star forward Jamie Johnson, and his opposing man Randy, he was heard to yell "Don't apologise Randy, hit him again!". That set the tone for the day.

Donald O'Grady, Tony Lavin, Frank and valiant goalie Steve, put in a great effort for their side, but the combination of "Masher" Martin, Jamie Johnson, and Geoff Stott at forward, plus the two Butlers of the back line put the seal on it.

And so the trophy goes to it's resting place at a new home... "Butler's"... if you want to see it, drop in some time on a Sunday night around eight.

As this newsletter goes to be printed, we have received a final word on the meeting to be held for Constitutional review. Due to the fact that no motions have been received, the committee can only assume that everyone is happy with this constitution the way it is. The meeting is therefore CANCELLED.
