

BEFORE I MET YOU As sung by Annie and Mac in F
Play capo 3rd fret and D pattern as annotated

D G D
I thought I had seen pretty girls in my time

D A7
That was before I met you

D G D
I never saw one that I wanted for mine

A7 D
That was before I met you

G D
I thought I was swinging the world by the tail

A7
I thought I could never be blue

D G D
I thought I'd been kissed and I thought I'd been loved

A7 D
That was before I met you

I wanted to ramble and always be free
That was before I met you
I said that no woman could ever hold me
That was before I met you

They tell me a man must reap what he's sown
Darlin', I hope that's not true
For once I had plans about living alone
But that was before I met you
