I - 'll tip-toe 'round your gar-den, and take you by the hand For your
love is like a rose - bud, In the spring - time of this land I'll
hold you gent - ly in my arms, A - do- ring all your love-ly charms, I'll
tip - toe 'round your gard - en, And ad - mire your fra-grance sweet.

1. I'll tip toe 'round your garden,
And take you by the hand,
For your love is like a rosebud,
In the springtime of this land.
I'll hold you gently in my arms,
Adoring all your lovely charms.
And I'll tip toe 'round your garden,
And admire your fragrance sweet
2. You're a treasure undiscovered,
An island paradise.
So loving and so caring,
Always giving kind advice.
I'll lift you up and keep you strong,
And guard you safely from all wrong.
And I'll tip toe 'round your garden,
And admire your fragrance sweet,
3. You're a stream of crystal water,
Flowing through a barren land.
Your love is like the dew drop,
On a tranquil forest fern.
I'll try and keep you from all fear,
And wipe away your every tear.
Then I'll tip toe 'round your garden ,
And admire your fragrance sweet.
4. You're the sound of distant music,
Playing lovely melody.
The magic of a moment,
Listening to a symphony.
Together we will walk this road,
And share each other's heavy load..
Then I'll tip toe 'round your garden,
And admire your fragrance sweet.
5. Yes, I'll tip toe 'round your garden,
In the twilight of the night.
In the coolness of the evening,
As the sun drifts out of sight.
My love is yours and yours is mine,
Entwined together like a vine.
And I'll tip toe 'round your garden,
And admire your fragrance sweet.
