

The Red-Back On The Toilet Seat

Ralph Ernest Newton

$\text{♩} = 180$

1. There was a red - back on the toi - let seat when I was there last night I

5 did - n't see him in the dark but boy I felt his bite I jumped high up in -

10 to the air and when I hit the ground That cra - fty red - back spi - der was - n't

15 no - where to be found found There was a red - back on the toi - let seat when

20 I was there last night I did - n't see him in the dark but boy I felt his

25 bite And now I'm here in hos - pit - al a sad and sor - ry plight and I

30 curse the red - back spi - der on the toi - let seat last night
